

Ms. Barb

Cook & Kitchen Manager

Ms. Barb is the DBELC supreme ruler of all things kitchen. She is our cook and kitchen manager. She has many years of experience cooking and in operating a kitchen. Before DBELC, she worked at the County Youth Development Center as the Food Service Director. Cooking has

always been a part of her life, as she has cooked in and/or owned restaurants most of her life. She has also attended classes in nutrition and food safety at Penn State and YTI. Cooking and working with children are two of her biggest joys. She likes to see the children eating and enjoying the food she prepares and trying and experiencing new culinary delights. She values providing the children with nutritious meals and seeing the smiles on their faces when they see her and eat her food. In her free time, Ms. Barb likes to work outside, ride horses, spend time with her grandchildren, and experiment with new recipes in her kitchen. She loves to find exciting and different things to make.
