

Ms. Brittany

School - Age

Ms. Brittany came to DBELC in May of 2015. Ms. Brittany spends most of her time working with the school-agers. She graduated from Central York and participated with the school's Panther Preschool program. Her experience with children includes babysitting and volunteering at her church. She has been a member of

the Christian Education Committee there since 2008. She is currently attending York College for her degree in Early Childhood Education. She feels that the most rewarding part of working with children is to be able to see their faces light up when they grasp a new concept.
