

# Ms. Jen

## Young Toddlers

Ms. Jen graduated from high school in New Hampshire in 2008 and moved to Pennsylvania. After moving to PA in 2008, she started working at a child care center in Stewartstown.

During her six years working at that center, she worked with kids of all different ages. When she moved to Dover, she found DBELC and has

been here with us since August of 2014. She is now teaching our young toddler class and has earned her CDA. Ms. Jen and her fiancé have three daughters and they enjoy taking trips to their cabin in Canton, PA together. She also enjoys spending time with family and going to the movies. She also loves hibachi! What she enjoys most about teaching is being able to intrigue the children with fun activities and baking ideas. She loves to help them get ready for the next step or chapter in their lives.
