

Ms. Kristina

Infants/Floater

Ms. Kristina is a floater who helps out in all classrooms, but most days, she can be found cuddling babies in the infant room. Kristina graduated from Central York High School and is currently attending college at Harrisburg Area Community College. Her previous experience with children includes six years of babysitting experience and volunteering as a teacher's assistant for her church's Sunday School class. In her free

time, Kristina enjoys being outside, kayaking, and playing the piano. She also likes to spend her time with her friends and family. She appreciates the opportunity to work with children because she likes to see their excitement when she shows them new things and to see the children develop over time.
