## Young Toddlers

Ms. Lauren has been teaching here at DBELC since December of 2014. She graduated from Kennard-Dale High School in 2011 and has been working with children since then. She has worked with children as a nanny and in the field of early childhood education and sports programs.

She is looking forward to returning to school in the near future to obtain her CDA and associates degree. In her free time, she enjoys spending time with friends and family and going to the beach! She is currently enjoying the adventure of being a new mommy to her baby girl! What Lauren enjoys most about teaching is forming a bond with all the children. It is awesome to see the children grow physically, emotionally, and socially each day. She finds it very rewarding when they grasp new skills that she helped teach them.
