

Ms. Paula has been working at DBELC with the toddlers since September of 2012. Before coming here, she worked a variety of jobs, including customer service and as a baker. She has her B.S. in Marketing from YCP, but truly enjoys working with children. She earned her Infant and Toddler CDA and is attending classes at PSU for her A.A. in Human Development and Family Studies. Her experience with children includes babysitting and volunteering at church. She is the Primary Sunday School Director at her church. Paula has three children -Katie, Nikki, and Billy. In her spare time, Paula likes to garden, spend time with her family, bake, and do all things crafty. She loves playing with the children and getting messy! There is a special magic when children learn new things. They go through so many changes while they are growing, and Paula feels that it is a gift to be able to watch them blossom into the “big kids” they are meant to be.
