

Ms. Rola

Pre-Kindergarten

Ms. Rola came to DBELC in May of 2015. She can be found teaching the pre-kindergarten class. She graduated from Central High School and has earned her CDA in preschool. She is excited to continue her education in the field of early childhood education. Her experience with

children includes working in other early childhood centers with various age groups, but preschool and pre-k is where she enjoys teaching the most. She believes that preschool is essential because it is the first step before children start school. She enjoys watching them grow in both mind and body. It is important to lay the foundation for learning so the children are prepared to start kindergarten. She is happy to play a part in that process.
